Languages: Python, JavaScript, HTML/CSS, SQL

Libraries & Frameworks: Django, Bootstrap

PROJECT SKILLS

Django: Vehicle Rental System

(<https://github.com/sabina1123/summer-project.VRS>)

Python, HTML, CSS, JavaScript, Git, Bootstrap

- Designed and developed a vehicle rental system that enables users to seamlessly rent vehicles, enhancing the overall rental experience.
- Implemented user registration, login, and logout functionalities to ensure that only registered users can rent the Vehicles, maintaining data integrity and security.
- Aimed at improving user experience through a responsive layout and modern design, ensuring that the system is accessible and user-friendly across all devices.
